MAAR INFORMATION SHEET

1. **Authorized use of SUPRA Key** All SUPRA equipment is for the *sole* use of the SUPRA key holder.
2. **Lost SUPRA Key:** Contact MAAR immediately if your SUPRA Key is lost or stolen. To receive a replacement SUPRA Key you must provide MAAR a police report for SUPRA and provide proof of lost or theft insurance or pay the replacement equipment cost of the lost or stolen SUPRA product.
3. **Supra Key boxes:** Supra key boxes (the iBoxBT) are purchased for \$105 each.
4. **Authorized use of MLS Data:** Information in the MLS computer is the copyrighted property of MLS. You *may not* give MLS full printouts to customers or clients. The MLS Rules and Regulations govern providing customary printouts. The confidential and protected information contained in MLS could be misleading to your customer's and client's and/or allow them to take unfair advantage of sellers.
5. **Confidential Information:** Do not share information provided to you in confidence.
6. **Hip Pocket Listings:** Avoid "hip pocket" listings, i.e. listings on which you do not have a signed contract. Without a contractual agreement between you and the seller, there is no guarantee you will receive a commission, even if you introduce the property the purchaser. Offer the seller a 24 hour, limited contract prior to showing the property to anyone.
7. **Soliciting a Listing:** Soliciting a listing which is already filed with MLS is prohibited until that listing has expired. Agents may not initiate contact with the seller to obtain a future listing.
8. **Accuracy of MLS Data:** The MLS depends on you to keep MLS computer information accurate and up to date. Inaccurate information may put you and your fellow REALTORS® in an embarrassing position or potentially expose you to legal action. All status changes for listings must be made within 48 hours.
9. **Showing and Negotiations:** Appointments for showings and negotiations with the seller for the purchase of listed property filed with MLS must be conducted through the listing Participant (broker) unless the listing Participant gives the cooperating Participant specific authority to show and/or negotiate directly or after reasonable effort, the cooperating Participant cannot contact the listing participant or his representative.
10. **Transmitting Offers:** You must transmit all offers, counter offers and acceptances in an efficient and timely manner; personal convenience is a secondary consideration.
11. **Professional Courtesy:** When dealing with fellow REALTORS® and homeowners, common courtesy goes a long way. When showing a home, leave everything as you found it; your business card should be the only evidence of your visit.
12. **Rates and Fees:** MAAR and MLS do not set rates and fees. *A broker's compensation for services rendered in respect to any listing is solely a matter of negotiation between the broker and his or her client, and is not fixed, controlled, recommended, or maintained by any persons not a party to the listing agreement.* Please discuss your company policy with your broker to determine what to charge your client.
